

2026- 2027 Preschool Registration Form

Welcome to the Jewish Community Council Preschool! We hope your family will be joining us for our outstanding school program. As always, we plan on bringing to all our students and their families the best early childhood education. Our preschool program runs from August through May. Below we have outlined our program hours and our preschool fees. We also, have our summer program available in June and July. Summer registration requires a separate registration form, which can be requested by the school office.

To register your child for the 2026 – 2027 school year, please fill out and bring this registration form with you to the JCC School office. **All students must be up to date with their vaccines. To enter our 3-year-old classrooms students must be fully potty trained.** Registration is on a first come first served basis. If you request a teacher, please put it on the form. **A friendly reminder that requesting a teacher does not always guarantee that your child will be placed in the requested teacher's classroom.**

If you have any questions, feel free to contact the JCC school office at 361-855-6239 or you can email us jewishcommunitypreschool@yahoo.com

Manuela Sela
JCC Preschool Director
